

Information on West Highlands mailbox replacements, posts, parts and maintenance:

- Replacement mailboxes, posts, house numbers and parts can be purchased directly from Addresses of Distinction, located locally in our neighborhood 2115 Hills Avenue NW, Atlanta, GA 30318 www.addressesofdistinction.com or by calling (770) 436-6198. Customer service can retrieve the style information for the West Highlands community from their records. They can also assist with installation and maintenance.
- Lockable mailboxes:
 - Style – single mailbox on a single post. Homeowners can replace their current mailbox with a lockable mailbox made by Gibraltar (a Solar Group Company) - Model #WM16KB01. The mailbox can be purchased directly from Home Depot, Ace Hardware or online from Amazon. The price typically ranges between \$70 and \$80. All other types of lockable mailboxes are prohibited.
 - Style - shared mailboxes on a single post (i.e. duplex system). Homeowners can purchase a locking box insert from http://www.mailboxnet.com/mailbox_accessories.html. The locking box insert can be bolted to the bottom side of the existing HOA-approved mailbox with a special screw that can't be loosened from the exposed side (i.e. the side underneath the mailbox)). The locking box insert can also be used on the single-mailbox-per-post style.
