

West Highlands Parking Rules and Regulations

Effective Date:

This policy supersedes any and all previously approved parking policies and becomes fully enforceable effective January 1, 2016.

Purpose:

In order to preserve the aesthetic appeal of the West Highlands Community and to ensure your guests have a place to park, please read the Parking Policy below carefully and become familiar with the rules and regulations. Please be advised that these rules and regulations are in effect at all times. While the Parking and Security committees (who are made up of volunteer members) may be limited on availability when they can patrol, any cars found to be in violation at that time will be subject to ticketing, booting and/or towing. It is important for residents to understand that this policy, and its enforcement, also helps maintain order and fairness within a community of diverse needs. It also helps to maintain the quality of living, retain and improve property values, and provides the right to peaceful enjoyment for all residents. In the opinion of Community stakeholders, such policy shall be in the best interest of the Development.

Homeowner and Home Renter Responsibility

Homeowners and Home Renters are required to park primarily in Garages and Driveways. On street parking should be reserved for temporary loading/unloading and guests. Residents are responsible for informing their guests of the parking rules and policies.

Columbia Resident Responsibility

Columbia Apartment Residents should park primarily in Columbia Apartments parking lots. On street parking should be reserved for temporary loading/unloading and guests. Residents are responsible for informing their guests of the parking rules and policies.

HOA/Columbia Residential Responsibility

It is the responsibility of Columbia Residential to inform its residents of this notice and to provide each resident with a copy of the attached parking rules and regulation. In addition, Columbia Residential is responsible for providing its residents with the contact information on how to either retrieve towed vehicles from the towing facility or contact the booting company to remove the boot from vehicle.

Respectively, it is the responsibility of the West Highlands Homeowners Association to inform its homeowners of this notice and to provide each homeowner with a copy of the attached parking rules and regulation. In addition, the West Highlands Homeowners Association is responsible for providing its homeowners with the contact information on how to either retrieve towed vehicles from the towing facility or contact the booting company to remove the boot from vehicle.

Parking signs will be erected throughout the property to assist residents as to where to park and where to not park. Ultimately, it is the responsibility of each resident and homeowner to familiarize themselves with the current parking rules and regulations.

Enforcement:

ANY VEHICLE PARKED ON ANY PORTION OF THE WEST HIGHLANDS SUBDIVISION IN VIOLATION OF THE PARKING RULES AND REGULATIONS WILL BE TICKETED, BOOTED AND/OR TOWED AWAY, WITHOUT FURTHER NOTICE TO THE OWNER, AND AT THE OWNER'S SOLE EXPENSE. NO WARNINGS WILL BE GIVEN.

The attached list outlines permitted and prohibited parking within designated areas throughout the community and other parking rules and regulation.

Section 3: Parking Decals and Overnight Guest Passes for Homeowner Association Residents

Being a Good Neighbor

Please be courteous, when parking on the street, it is polite for you or your guests to park in front of your home. This allows your neighbor or their guests to park in front of their house when needed. Keep in mind that your neighbor may have an elderly or handicapped guest and the closer they can park near their house, the easier it will make for them to assist their visitors who may have special needs. Oftentimes it is more convenient to unload people or products through the front door rather than from the rear of the house, driveway or garage. If you are entertaining more guests than can park directly in front of your house remind them not to park in front of driveways or mailboxes, so as not to inconvenience your neighbors. When having any celebration that will result in an excess of guests, it is always polite to give your neighbors a heads up, along with a phone number should they need to reach you.

Decals and Overnight Guest Passes

1. Homeowners may request West Highlands Parking Decals for automobiles owned by homeowners and residents. Homeowners must submit a signed Parking Decal and Overnight agreement along with a Parking Decal Automobile Information form. Homeowners who are renting their homes are responsible for requesting decals on behalf of their renters. A valid lease must be on file with the management company for the parking decal request to be approved. If you need to register your vehicle, have a change in cars or residents living at your location, or have any questions regarding this policy, you may email channah@sentrymgt.com.
2. Overnight parking passes must hang on the rear view mirror and be clearly displayed facing the front windshield. The parking permit must always be visible when the vehicle is on the property during overnight hours (12:00 midnight to 6:00 AM).
3. Overnight guests are required to park in the designated parking areas only. Parking in no-parking areas will result in automobile being booted or towed
4. For the occasions when a homeowner will need additional parking between hours of 12am and 6am, the homeowner should do the following:
 - o Homeowner should notify ProTect Security (404) 426-6345 of upcoming event
 - o Homeowner should instruct guests to place a minimum of 8.5x11 sheet of paper (color other than white preferred) inside windshield, driver side with following information in 2" or larger print: Guest of NAME @ ADDRESS
5. Failure to properly display the parking decal or overnight parking permit may result in the vehicle being booted or towed at the owner's expense. Vehicles that are booted for longer than 24 hours will be towed away at owner's expense. No warnings will be given.

Section 4: Additional Parking Rules and Regulations

- Vehicle may not park on any curb, sidewalk, on any grass area public or private, in a fire lane or any non-designated area.
- Vehicle may not double park, block another vehicle, block driveways, block mailboxes, block alley entrances, block passage along alley, obstruct the flow of traffic or otherwise create a hazardous condition.
